

## Privacy Notice for Applicants

### Privacy notice for Applicants

Under data protection law, individuals have a right to be informed about how the Trust uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data. This privacy notice explains how we collect, store and use personal data about individuals that apply for positions to work at our Trust or any of the academies within the Trust.

We may also collect, store and use information about you that falls into "special categories" of more sensitive personal data. This includes information about (where applicable):

As per the guidance in Keeping Children Safe in Education 2022, the Trust will now conduct online searches of all candidates that have applied and are shortlisted for a role at one of our Academies or our central Trust team. This is now part of our recruitment process. Only those candidates shortlisted will have these checks carried out.

### Why we use this data

The purpose of processing this data is to process your application for employment.

### Our lawful basis for using this data

We only collect and use this personal information with your consent and as your application progresses, we may use it where when needed to:

- Comply with a legal obligation
- Carry out a task in the public interest

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the Trust's use of your data.

### Collecting this information

While the majority of information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us. Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

### How we store this data

We create and maintain an electronic file for each applicant. The information contained in this file is kept secure and is only used for purposes directly relevant to your application. Once the application process has ended, we will retain this file and delete the information in it in accordance with our Records and Retention Policy. All information is collected by TES. As per Keeping Children Safe in Education September 2022, any candidates that apply and are shortlisted will have their online presence checked. A record that these checks have been undertaken will be noted.

### Data sharing

We do not share information about you with any third party without your consent unless the law and our policies allow us to do so.

Where it is legally required, or necessary (and it complies with data protection law) we may share personal information about you with:

### Your rights

#### How to access personal information we hold about you

- Give you a description of it
- Tell you why we are holding and processing it, and how long we will keep it for

- Explain where we got it from, if not from you
- Tell you who it has been, or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- Give you a copy of the information in an intelligible form

You may also have the right for your personal information to be transmitted electronically to another organisation in certain circumstances. If you would like to make a request, please contact the Data Protection Officer.
